Dear Student:

Welcome to the 2008 - 2009 school year. This year school starts on Monday, August 25. Once again, **I am NOT mailing you a copy of your schedule.** You **MUST** come to the office and pick it up. Due to remodeling, the HS office is in a portable building in the parking lot between the Media Center and the Junior High. The dates and times for you to do so are listed below. I know some of you will want to make a few schedule changes so you need to get your schedule before school starts. The more changes we make before school starts, the easier the first few days of school will be.

SENIORS - Monday, August 11 8:30 - 11:30

JUNIORS - Monday, August 11 12:30 - 3:30

SOPHOMORES - Thursday, August 14 8:30 - 11:30

FRESHMEN - Thursday, August 14 12:30 - 3:30

Monday, August 18 from 8:30 – 11:30 is for anyone who could not get their schedule on their assigned day. If there is no possible way you can make it on any of these days, call me at school and we will make arrangements for another time. *Please realize there will be numerous people changing their schedule, so be prepared to wait.*

Mrs. McBride will have textbooks ready to be checked out while you are here. Students who check their books out early will have open tutorials on the first Friday of school. Students who do not pick up books during that time will report to their assigned tutorial class. Mrs. East will also be in the library to take your picture for your school ID.

We will be issuing permits again this year for the privilege of parking on campus. These can be purchased for \$5 when you pick up your schedule and books. They will be \$6 if purchased after the first day of school. Students will have to show a valid driver's license to purchase a permit.

Sincerely,
